

Donations

Age Friendly Saco's Handy Neighbor Program services are free.

Some residents have expressed an interest in paying for services. Our Volunteers do not accept payment for their work, however, anyone seeking to make a donation to Age Friendly Saco may do so. Donations are not considered payment for any services performed. Donations are accepted only as a means to help other families in need and will be disbursed as approved by the AFS Board of Directors.

Donations can be made online at www.agefriendlysaco.org—click “Donate” or mail to the Age Friendly Saco office.

Become a Handy Neighbor Volunteer!

As a volunteer you can accept or decline any service that does not fit your interest, talents or time schedule. You can decide how much time you want to devote as a volunteer.

Saco residents have been very grateful for these services. Typically, they cannot find someone to perform small jobs, such as these, that make a huge difference in their lives.

Being a Handy Neighbor is rewarding and fun and makes a difference in the Saco Community!

For more information on how to become an AFS Handy Neighbor Volunteer:

Call the AFS office: (207) 710-5029 or
Email: handy.agefriendlysaco@gmail.com.

Our Handy Neighbor Coordinator will contact you.
