

How Much Does it Cost?

This medical transportation service is free. Our volunteer drivers utilize their own vehicles to transport you to your medical appointment and return you to your residence.

Some riders request to pay something for the transportation. While payment is not necessary, anyone seeking to make a donation may do so to Age Friendly Saco.

AGE FRIENDLY SACO Medical Appointment Transportation Program (207) 200-7668

**Saco Residents aged 60+
may be eligible for free
round-trip door-to-door
medical appointment
transportation.**

About our Transportation Team

Age Friendly Saco's Medical Transportation Team commenced with two AmeriCorps Members in February 2022. Since that time, the program has blossomed to 14 volunteers. Over 1,265 rides from Kennebunk to Falmouth have been provided, 11,514 miles were traveled, and 1,306 hours have been spent getting Saco resident to their medical appointments. We currently have enrolled approximately 70 riders and the program continues to expand to service more individuals.

Volunteer Drivers Needed!

Age Friendly Saco is always looking to add to our Volunteers Team! If you would like to become a part of a team that provides a meaningful service to your community, consider becoming a Medical Transportation Driver. Make your own schedule, make a difference, and most importantly, make someone's life less stressful!

Call our Program Director for more information: 207-200-7668

Ride Information

To schedule a ride, call our Medical Appointment Transportation Program Director at (207) 200- 7668. You may need to leave a voicemail message. The Program Director will return your call.

Transportation Drivers will transport you to your appointment, wait for you and return you to your residence.

Age Friendly Saco has performed background checks on all Drivers and obtained vehicle insurance information from them.

Transportation Drivers are screened, trained and required to adhere to confidentiality of information from our Riders.

Since we are dependent on volunteer availability, a 7-day notice is required to schedule a ride.

The distance to appointments is no further North than Falmouth and no further South than Kennebunk.

All passengers **MUST** wear seatbelts. **NO** smoking in the vehicle. **NO** alcohol consumption, intoxication or open containers are allowed. Your driveway/ roadway must be safely accessible for our volunteer's vehicle.

Schedule: Monday through Friday
8 AM to 5 PM

Driver Assistance

Medical Transportation Riders must be independently mobile and must be able to embark and disembark without assistance into a passenger vehicle. Our Drivers can only offer an arm or hand for assistance.

Drivers will open/close the vehicle door and help secure seat belts, if needed.

Drivers cannot enter a residence.

Drivers cannot act as a medical or physical attendant.

Drivers will store a walker once the Medical Transportation Rider is onboard.
